JUDGMENT

The Court having held a Final Approval Hearing on June 25, 2021, notice of the hearing having been duly given in accordance with this Court’s Order (1) Preliminarily Approving Class Action Settlement, (2) Approving Notice Plan and (3) Setting Final Approval Hearing (the “Preliminary Approval Order”), and having considered all matters submitted to it at the Final Approval Hearing and otherwise, and finding no just reason for delay in entry of this Final Judgment as to claims asserted against defendant Yodel Technologies, LLC (“Yodel”) only, it is hereby ORDERED as follows:

1. The claims asserted against Yodel are hereby Dismissed with Prejudice. Any claims remaining against defendant NorthStar Alarm Services, LLC (“NorthStar”) are unaffected;
2. Plaintiff, Yodel, and the Claims Administrator are to effectuate the Settlement Agreement according to its terms;

3. As set forth in the Order Granting Final Approval, entered this date, attorney fees and costs are awarded to Class Counsel in the total amount of \$595,620.33, to be distributed by the Claims Administrator from the settlement fund.
4. An incentive award is awarded to named Plaintiff Robert Braver, in the amount of \$10,000.00 to be distributed by the Claims Administrator from the settlement fund.
5. Pursuant to the Parties' Agreement, Yodel is hereby enjoined from initiating any telephone call to any telephone line that delivers a prerecorded message and/or using soundboard technology to deliver a prerecorded message where the principal purpose of the telephone call is advertising or marketing, unless the called party has provided prior express written consent to receive such calls.
6. Based upon the Court's finding that there is no just reason for delay of enforcement or appeal of this Order and Final Judgment notwithstanding the claims remaining against defendant NorthStar, if any, and notwithstanding the Court's retention of jurisdiction to oversee implementation and enforcement of the Settlement Agreement, the Court directs the Clerk to enter final judgment as to claims asserted against defendant Yodel Technologies, LLC only pursuant to Rule 54(b).

DATED this 29th day of June, 2021.
